

Sample School Placement BID Process

CCYA notifies LEA of origin of a new placement in foster care or when a change in foster care placement occurs.

CCYA recommends school placement BID to LEA of origin. BID recommendation should also be shared with LEA of foster residence.

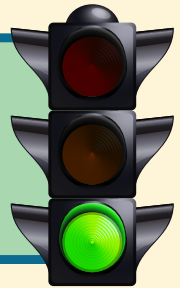

Outcome A: Parties agree with BID.

- LEA of origin and CCYA document BID and efforts to complete a BID.
- Student remains in school of origin. The LEA and CCYA implement formal written transportation plan to maintain child in current educational placement; or
- Student is immediately enrolled into new school.

Outcome B: Parties require further information to make a BID.

LEA of origin and CCYA coordinate to maintain child in school of origin during interim of final determination.

LEA of origin and CCYA gather additional relevant information including interviews from meaningful parties to participate in the BID.

LEA of origin and CCYA should inform/ include the LEA of residence as a meaningful party in the BID process, especially if the child receives special education services.

LEA of origin and CCYA document BID and efforts to complete a BID.

Outcome A: Child remains in the LEA of origin. The LEA(s) and CCYA implement formal written transportation plan to maintain child in current educational placement.

Outcome B: Student is immediately enrolled in new education placement. LEA(s) and placing CCYA coordinate to facilitate a timely records transfer.

Key

BID: Best Interest Determination

LEA: Local Education Agency

CCYA: County Children and Youth Agency

LEA of origin: LEA child is attending or being educated by at the time of placement into foster care

LEA of foster residence: LEA where foster care placement is located
