Placement Notification Form

*If the child does not have a Court Ordered Educational Decision Maker, the Educational Decision Maker is understood to be the child's parent. Educational Decision Makers make educational decisions for the child including special education and early intervention decisions. Note that under the Federal Preventing Sex Trafficking and Strengthening Families Act of 2014 (P.L. 113-183) and the PA Activities and Experiences for Children in Out-of-Home Placement Act (Act 75 of 2015) out-of-home placement caregivers can make day-to-day decisions related to a child's participation in age and developmentally appropriate activities and experiences such as those regarding class trips, extracurricular activities, and social events. For more information see [OCYF Bulletin #3130-18-04](#) entitled Reasonable and Prudent Parenting Standards.
